Sir:

After having your letter from the United States District Court For The Northern District Of Ohio explained to me, you guys need to get a real job!

1. Whereas due to the premise of this law suit, no one should have provided the time of day to any "lawyer" bringing this forward as a legitimate case;
 - a. Someone provides additional money to employees for making good health decisions, and one turns and bites the hand. Bad choice.
2. Whereas you could have inquired if I wanted to be a member of this class action lawsuit via a mail-back card;
3. Whereas you by way of "strong arm" has forced me to get someone to review your letter and write this letter;
 - a. You have interrupted my normal routine and caused me to become angry that you would involve me in such a trivial, child-centered tantrum of a lawsuit.
4. Whereas you have caused me a financial deficient;
 - a. I have had to provide funds to get your letter read to me and interpreted
 - b. I have had to provide funds to get this letter written
 - c. I have had to provide postage to mail this letter
 - d. I have had to provide mileage on my diesel truck to mail this letter
 - e. I have lost precious time dealing with this mess you started
 - i. One hour reading and interpretation
 - ii. One hour writing this response
 - iii. One hour posting these letters
1. Therefore, **I respectfully will ask the court:**
 - a. To consider the financial deficient, which has befallen upon me, from your ill-advised methods of not asking if I wanted to be included?
 - b. To require payment from The Lazzaro Law Firm, LLC to make me financially whole.
 - c. To require payment from The Lazzaro Law Firm, LLC for lost time.
 - d. To not allow you to expense this cost into this lawsuit, but ensure this is a profit reduction to your bottom line.
2. Therefore, I respectfully ask to be excluded from this meritless lawsuit: Bainbridge v. Medline
 - a. Case (No.5:16-cv-00555)
 - b. Francis M Wardlaw III
